

Exceptional:-

```
class Main {  
public static void main(String args[]){  
  
try{  
  
int data = 5 / 0;  
System.out.println("Rest of code in try block");  
}  
  
catch(ArithmeticException e) {  
System.out.println("ArithmeticException=>" + e.getMessage());  
}  
}  
}
```

Output:-

```
C:\Users\vijen\Desktop\java codes>javac exceptional.java  
C:\Users\vijen\Desktop\java codes>java exceptional.java  
ArithmeticException= / by zero
```
