

Nasted:-

```
class nastedif{
public static void main(String args[]){
int a=55,b=10,c=20,d=50;
if(a>b){
if(a>d){
System.out.println("a is greater");}
else{
if(c<d){
System.out.println("d is greater");}
else{
System.out.println("c is greater");}
}
else{
System.out.println("b is greater");}
}
}
}
```

Output:-

```
C:\Users\vijen\Desktop\java codes>javac nasted.java
C:\Users\vijen\Desktop\java codes>java nasted.java
a is greater
```
